(English version)

Personal Data Protection Notice for Employees and Job Applicants

1. This Personal Data Protection Notice for Employees and Job Applicants ("**Notice**") sets out the policies of YTY Industry Holdings Sdn. Bhd. ("**YTYIH**") and its respective affiliates and subsidiaries (collectively or individually as the "**Company**") with regard to the processing of your Personal Data. In the event of any conflict between the English and other language versions, the English version shall prevail.

2. "**Personal Data**" means information about you, from which you are identifiable, including but not limited to your name, date of birth, correspondence address, email address, telephone number, mobile phone number, identity card number, passport number, religion, race, your image or photograph, marital status, details relating to your education/qualifications and past employment history, bank account number, statutory contributions information (such as contributions to Employees Provident Fund (EPF), Social Security Organisation (SOCSO) and Employment Insurance System (EIS)), tax related information, details of work permits, details of your salary, compensation and benefits, details of disciplinary actions against you (if any), details of your performance review, promotion history, name(s), date(s) of birth, contact details, identity card number(s), occupation, income tax information of spouse, next of kin, and dependents, children, beneficiaries and any information generated during the course of your recruitment and/or employment with the Company, and includes any sensitive personal data such as data relating to your health, including information relating to your medical history (including vaccination records), any disability or handicap you have, any pandemic or epidemic disease data relating to your health condition including but not limited to your vaccination status and vaccination digital certificate information, any health-related data as required by the relevant governmental authorities, as well as criminal data such as the commission or alleged commission by you of any offence.

3. In addition to the Personal Data you provide to the Company directly (including via the Company's recruitment page on the Company's website), the Company may collect your Personal Data from a variety of sources such as the information in any employment application forms, medical declaration forms or other similar forms, from third party sources such as job advertising websites, recruitment agencies, search consultants, LinkedIn contacts, referrals from other third parties, when you submit your information or resume or information otherwise generated upon your appointment and in the course of your recruitment and/or employment with the Company. In certain circumstances, your medical information may also be shared with the Company by Company appointed clinics where reporting is required under law.

4. In some circumstances, your Personal Data may be collected indirectly from monitoring devices or by other means for example, building and location access control and monitoring systems, closed circuit television, telephone logs and recordings, email and Internet access logs.

5. Where you have been accepted for employment with the Company, provision of your Personal Data to the Company is mandatory for the purposes of your employment with the Company, for the processing of your salary and enjoyment of the benefits offered by the Company to its employees as well as to comply with the law. Where your family members are covered under the Company's medical insurance scheme, provision of your family member's personal data would be mandatory. Failure to provide your family member's

information for this purpose will result in your family member(s) not being able to enjoy the medical benefits offered under the Company's medical insurance scheme.

6. If you are a job applicant of the Company, provision of your Personal Data to the Company is voluntary, however failure to provide your Personal Data will result in the Company not being able to consider you for employment with the Company.

7. By signing this Notice, you hereby consent to the processing of your Personal Data and, where you have provided Personal Data relating to your family members, you further confirm that you have obtained the consent of your spouse and/or consent as the parent/legal guardian of your child/children to the processing of the Personal Data by the Company in accordance with this Notice.

Purposes of use

8. You hereby acknowledge and agree that the Company collects, uses, processes and retains your Personal Data for the purposes of your employment with the Company and to ensure that your recruitment and/or employment with the Company may be managed and administered effectively, including (without limitation) for the following purposes ("**Purposes**"):
