Hi Sidhu,

Can you share the below details for the PLE ?

Feature	Details
Customer	**Showa**
Volume forecast	**50M per Year**
Volume expectation per month (M Pcs)	
Price point	$30-$31/kpcs
Product Details	
Product type	AC free
Material	Nitrile
Type	
Color/ Pantone	Black
Size range	XS-XXL
Typical weight	5.3g
Shelf life	5 years
Grip / Texture	Full Textured
Do we have a Base SKU	N53BLK
AQL	2.5
Sterility	NO
Dimensions	
Glove Length, mm	245mm
Fingertip thickness	Similar to our N53BLK
Palm thickness	Similar to our N53BLK
Cuff thickness	Similar to our N53BLK
Product Features and Regulatory	
Powder free	Yes

Surface Treatment/Coating	
Other features expected	AC glove
Chemical resistance	Similar to the current N53BLK
Micro-organism protection	Similar to the current N53BLK
Food contact	Similar to the current N53BLK
Special feature	AC Free
Chemo/cytotoxic drug suitability	Similar to the current N53BLK
Medical compliance	NA
Main sectors listed	Industrial
Standard required : ASTM,EN,FDA etc	ASTM
Any special regulatory requirements	NO
Packing	
Inner box dimensions	Similar to the current N53BLK
Outer carton dimensions	Similar to the current N53BLK
Commercial Justification	PLE approval is requested to secure established, recurring business with SHOWA with this AC glove. This is a stable, proven product with regular volume commitments and a strong supply history. Supporting this request is essential to protect existing business, maintain a strategic customer relationship, and prevent potential volume loss to competitors.

Thank You and Regards,
